

# DeKalb Area Garden Club

www.dekalbareagardenclub.com

The DeKalb Area Garden Club was organized in March of 1983. Its membership consists of men and women of various ages from throughout the county, sharing fellowship of gardening through programs and projects. Meetings are normally held on the second Thursday of every month at 7pm in the Vista Room at Oak Crest Retirement Center in DeKalb. However, some meetings are held at garden related locations or in the gardens of our members. Typically a guest speaker will present an informative program followed by our business meeting.

The DeKalb Area Garden Club activities include informational programs, service projects and fellowship. Service projects include decorating both historic Gurler House and a room at Ellwood House in DeKalb for their holiday programs. The club also has an annual plant sale in May, which finances club activities, local garden and education projects and scholarships for Kishwaukee College Horticulture students through our endowment fund.

Dues are \$15 per person, or \$20 per household.

For additional information call Tom Riley (815)756-6686
